

2026 RNA Symposium Preliminary Program

Friday, March 6, 2026

8:00–9:00 AM **Registration & Continental Breakfast | Sponsor booths open**
ABC Rooms & Atrium, BSRB

MORNING SESSION

9:00–9:15 AM **Welcome & Introduction Speaker: Kelly Sexton, U-M Innovation Partnerships**
Kahn Auditorium, BSRB

9:15–10:00 AM **Epigenetic pathways as targets in human disease**

Keynote Presentation: Shelley Berger, University of Pennsylvania
Introduction: Kelly Sexton, U-M Innovation Partnerships
Kahn Auditorium, BSRB

10:00–10:45 AM **Invited Talks (Selected from Abstracts)**
Kahn Auditorium, BSRB

10:45–11:15 AM **Networking Break | Refreshments and Sponsor booths open**
ABC Rooms & Atrium, BSRB

11:15 AM–12:00 PM **Prime Assembly with Linear DNA Donors Enables Large Genomic Insertions**

Keynote Presentation: Erik Sontheimer, UMass Chan Medical School
Introduction: Yan Zhang, University of Michigan
Kahn Auditorium, BSRB

12:00–1:00 PM **Lunch & Networking | Sponsor booths open**
ABC Rooms & Atrium, BSRB

AFTERNOON SESSION

1:00–1:45 PM **Invited Talks (Selected from Abstracts)**
Kahn Auditorium, BSRB

1:45–2:45 PM **Invited Talks (Selected from Abstracts)**
Kahn Auditorium, BSRB

2:45–3:15 PM **Networking Break | Refreshments and Sponsor booths open**
ABC Rooms & Atrium, BSRB

3:15–4:00 PM **A splice-switching antisense oligonucleotide approach for pediatric epilepsies**

Keynote Presentation: Madeleine Oudin, Tufts University
Introduction: Michelle Hastings, University of Michigan
Kahn Auditorium, BSRB

4:00–5:00 PM **Patient Advocacy Panel**

Victoria Gray, Patient Advocate
Madeleine Oudin, Tufts University
Sean Doerr, Patient Advocate
University of Michigan Medicine Patient Representatives
Moderators: Beth Ames, John Prensner, University of Michigan
Kahn Auditorium, BSRB

5:30–8:00 PM **Networking Dinner**
Great Lakes Room, Palmer Commons

Saturday, March 7, 2026

8:00–9:00 AM

Registration & Continental Breakfast

Sponsor booths open ABC Rooms & Atrium, BSRB

MORNING SESSION

9:00–9:15 AM

Welcome & Introduction

Speaker: Tommy Wang, Dean, University of Michigan Medical School

Kahn Auditorium, BSRB

9:15–10:00 AM

Talk Title TBD

Keynote Presentation: Sarah Woodson, Johns Hopkins University

Introduction: Tommy Wang, Dean, University of Michigan Medical School

Kahn Auditorium, BSRB

10:00–10:45 AM

Contributed Talks (Selected from Abstracts)

Kahn Auditorium, BSRB

10:45–11:15 AM

Networking Break | Refreshments and Sponsor booths open

ABC Rooms & Atrium, BSRB

11:15 AM–12:00 PM

Co-transcriptional RNA processing yields unexpected versatility in gene regulation

Keynote Presentation: Karla Neugebauer, Yale School of Medicine

Introduction: Rachel Niederer, University of Michigan

Kahn Auditorium, BSRB

12:00–1:00 PM

Lunch & Networking | Sponsor booths open

ABC Rooms & Atrium, BSRB

AFTERNOON SESSION

1:00–1:45 PM

Invited Talks (Selected from Abstracts)

Kahn Auditorium, BSRB

1:45–2:30 PM

Life in Flux: Dynamic RNA: Protein Complex Assembly Shapes Biomolecular Function

Keynote Presentation: Nils Walter

Kahn Auditorium, BSRB

2:30–3:00 PM

Networking Break | Refreshments and Sponsor booths open

ABC Rooms & Atrium, BSRB

3:00–4:00 PM

Invited Talks (Selected from Abstracts)

Kahn Auditorium, BSRB

4:10–4:50 PM

Speaker Panel Discussion

Kahn Auditorium, BSRB

4:50–5:00 PM

Closing Remarks

Great Lakes Room, Palmer Commons

5:15–8:00 PM

Reception & Poster Session – Sponsored by CircNova

Great Lakes Ballroom, Palmer Commons

5:30–7:00 – Poster Session Part I (even numbers)

6:30–8:00 – Poster Session Part II (odd numbers)

Food & refreshments provided
